

# PUT YOUR MONEY WHERE YOUR HEART IS

## International Grant-making Capability

### We make it easy for Canadians living and working in the U.S. to support their favourite Canadian charities

Any donation of \$1,000 USD or greater recommended to a Canadian registered charity generates a U.S. charitable donation receipt. Americans or individuals with U.S.-sourced income can benefit from our international grant-making capability by making a donation to the Tides Canada Exchange Fund at Tides Foundation.

#### Here's how it works:

- Complete, print, and sign the form below. The charity information is pre-filled but you will need to specify the name of the fund OR project you are donating to.
- Mail the signed form with your check payable to Tides Foundation in the US to the following address: **Tides Foundation**, PO Box 29903, The Presidio, San Francisco, CA 94129-0903, USA
- Within three to six weeks of your donation, Tides Foundation provides you with an acknowledgment receipt that can be used for U.S. tax purposes.
- Your Canadian charity of choice receives the grant in four to six weeks in a Canadian dollar amount equivalent to your U.S. dollar gift.

If you have any questions about the form or the process, please contact us and we would be happy to assist you.
